09:00-13:00 Notification clinic: Addressing unfulfilled notification obligations

This is an opportunity for you to discuss the challenges you faced in preparing and submitting agriculture notifications to the WTO on behalf of your delegation. Arrangements have been made for each participant to meet privately with one AGCD staff in line with the following schedule.

Please come slightly ahead of the time indicated. You may wish to invite your WTO Agriculture Attaché to accompany you.

Prior to these consultations, you should also have:

- Identified the regular notification obligations that you need to monitor and act upon on a yearly basis; and prepared a list of the outstanding notification obligations that you should address on a priority basis.
- Prepared details of any policy which is supposed to be notified and regarding which you have any doubt, including any other technical details.
- Prepared, if possible, the related draft notification to clarify doubts.

In consultation with your capital- and/or Geneva-based colleagues, you are strongly encouraged to prepare draft versions of any notifications that may be pending. This will be a useful basis for discussion with, and direct feedback from, AGCD staff and your delegation's contact point for WTO matters.
